Registered Private Career College under the Private Career Colleges Act, 2005

Dear Applicant,

Thank you for your interest in The Create Institute Training Program in Expressive Arts Therapy.

To apply for admission, please complete and return this application by email to admin@thecreateinstitute.org or by express post with the required attachments; reference letters, copy of your latest post secondary education transcript and \$100.00 CAD application fee. Reference letters may also be emailed directly to the office. Please note that application packages will not be processed until all the required information and documents are received.

This is an ongoing application process, in which we interview applicants on a first-come-first-served basis, from February to May until we have filled the first year class with suitable candidates. **The deadline for applications is May 15.** Applications will only be considered after that time if space is available. Candidates who meet the formal requirements for the program will be given two separate interviews by faculty members. All interviews are conducted online.

Successful candidates will be notified by mail following the second interview and given two weeks to send a written letter of acceptance along with a processing fee of \$500.00. Please note that the \$500.00 processing fee will be deducted from the total amount of tuition fees as your first installment. Upon confirmation of acceptance, a place will be held for the candidate to begin the program in September.

Tuition fees are tax deductible. The costs of individual therapy, books on the core reading list, and a yearly materials fee are separate from tuition costs and may be tax deductible. The Create Institute does not currently have a scholarship or bursary program for entering students.

The Create Institute website www.thecreateinstitute.org has current and useful information for prospective students. Our office and studio are not open to the public, unless we are hosting public lectures/events and information sessions. Please call the office at (416) 539-9728 on Monday, Tuesday or Thursday between 10:30 AM and 5:30 PM, if you require more information about the program, financial assistance or would like a referral from our list of approved expressive arts therapists in private practice.

Sincerely Yours,

Pamela Rosales
