Registered Private Career College under the Private Career Colleges Act, 2005

Dear Applicant,

Thank you for your interest in The Create Institute Training Programme in Expressive Arts Therapy.

If you intend to apply for admission, please complete and return this application by regular post with the required attachments, reference letters and \$100.00 CAD application fee. References may be faxed or mailed separately, but the application will not be processed until all the required information has been received by the office. Please include a copy of your latest secondary/post secondary transcript and the highest certificate or diploma achieved.

This is an ongoing application process, in which we interview applicants on a first-come-first-served basis, from February to the summer, until we have filled the first year class with suitable candidates. The **deadline for applications is June 30**. Applications will only be considered after that time if space is available. Candidates who meet the formal requirements for the programme will be given two separate interviews by faculty members. We are unfortunately unable to conduct interviews over the telephone. All interviews are conducted in person and in Toronto.

Successful candidates will be notified by mail following the second interview and given two weeks to send a written letter of acceptance along with a processing fee of \$500.00. Please note that the \$500.00 processing fee will be deducted from the total amount of tuition fees as your first installment. Upon confirmation of acceptance, a place will be held for the candidate to begin the programme in September.

Tuition fees are tax deductible. The costs of individual therapy, books on the core reading list, and a small yearly materials fee are separate from tuition costs and may be tax deductible. The Create Institute does not currently have a scholarship or bursary programme for entering students.

The Create Institute website www.thecreateinstitute.org has current and useful information for prospective students as well as links to affiliated institutions in the International Network of Expressive Arts Therapy Training Centres.

The Create Institute office and studio are not open to the public, unless we are hosting public lectures/events and information sessions. Please call the office at (416) 539-9728 on Monday, Tuesday or Thursday between 10:30 AM and 5:30 PM., if you require more information about the programme, financial assistance or would like a referral from our list of approved expressive arts therapists in private practice.

Sincerely Yours,

Pamela Rosales
Administrative Director and Financial Aid Officer
